Huna ta anaginti kuraa cha yo manmaa
Kasailai roki roki bhanan chahanna
Sunne ni ko nai cha ra
sabko aafnai byatha yaha
Karodau manish tara
Sabko chuttai katha yaha
La ta saathi auru gare hai ta aba chahi
Yo kura thanai cha hami haru sabailai
Ajako din ra ahileko yo samayale
Ke gareko thyo yaha birsidaina kasaile
Tharkiyo jamin lekheka jati sabai birsiye
Gharbar sangai kati sapan haru charkiye
Ma pani aatiye soche ki aba marincha
Prakriti jange pachi aba ke po garna sakincha
Aakhiri yaha kohi dhani hos ya garibai

Sutana diyena gharle
Barbad sara kam sam chodera
Basiyo top handai local raksi fodera
Behal thiyo hamro gharko taal hera
Chireki chimeki aayo bhagi haal hera
Tai pani aama mero ragadina chadinan
Jaso taso pakain tara bhokai bhane rakhinan
