U gau ko euta sojho thiyo
Gharma rinko bhoj jo thiyo
Hidyo keto laure dekhauna
Samarpit bhai lakchya liyo
Manma kaiyou sapana bundai
U sangharsa ko batoma hidhdai
Ramne umerma sansaar chindai
Dukha kulchi byatha uchhindai
Usko kadhma pariwarko aash
Asafaltako thiyo trass
Tara marthyo k chhoroko aatmabiswas
Jutaunu thiyo gaas, baas, kapaas
Usle chaaleko pailalai
Panchaudai kancho mailo bhai
Sachyaudai harek galtilai
Bharnu cha khali khaltilai
Ekohoro usko koshish
Sathama pariwarko aashish
Hathma mehenat ko thela
Usko kalilo hatkela
Ghischa malilo matoma
Hidhdai purkhako batoma
U hardam harpal lamkidai thiyo
Chatyangsari chamkidai thiyo
Manko chana maari
U bhagyako jyawala lamkidai thiyo
Tara josh jagarle rankidai thiyo
Usko har kadam thiyo adig
Lakchyalai tanyo jasle najik
Paltan gharsanga lagyo mit
Hajarau haar chhekne eutai jeet

Chu ma aja solta tero biyog ma
Sochirachu ta pugis kaha kun lokma
Janu cha, lanu cha aja tero chahana
Ladhdaichu ma badhdaichu pura garchu sapana

Aja u nauло thauma cha
Sunauло jiwan daau ma cha
Khiyauча sharir matoma
Man ta usko tyahi gauma cha
Sanjhancha ukalii orali
Hariyali ban ani deuralima
Bastubhau haru charayeko khojdaicha atit
Jun harayeko khojne kramama
Fascha bharamma samay bitcha
Pascha jungma
Aatincha u parcha danga
Ladai bhumiko dekhda rang
Aghi bhadcha u sahasako sanga
Khumchincha mutu kamcha anga
Kahali lagdo raatma banduk hathma
Chalcha kadam bahadur aukatma
Gherama parcha u dusmanko
Lukaucha dar afno manko
Fukaucha ris rag ani ranko
Tyo sthiti uslai hajam bho
Khukuri chalcha sarwapratham
Chhinaucha dusmanko garden
Nagdai jancha badha adchan
Satruko ragat deshlai arpan
Uslai attopatto chaina
K cha yo jiwanrekhma
Agi badhcha baru marcha
Gurkhalipan cha yo ketama
Nisthuri bhagya ekkasi parcha
Bisphotan ko chapetama
Baaki saas u kelaudaicha
Bistarai sharer selaudaicha

Chu ma aja solta tero biyog ma
Sochirachu ta pugis kaha kun lokma
Janu cha, lanu cha aja tero chahana
Ladhdaichu ma badhdaichu pura garchu sapana

Adhuro rahayo usko rahar
Sujhaunu thiyo uslai ghar
Hulaki boki ayo khabar
Ruwabasiko chhayo lahar
Aamako aakha bhijayou
Babako sapana bigarou
Asirwaad timilai dine hath
Daagbatti baali dirghayou
Tolaudai usko tasbir heri
Bolaudaichin chhoralai
Aama timi na aattiu

U sansaar chhodi gaisakyo
Hijo samma u hamrai thiyo
Aja daibako bhaisque
Usko tyo kaam usko shaan
Yuva yodhha ko balidan
Sadabahar rahancha mahan
Amar bhannecha usko chihaan
Udauda surya harek bihan
Timrai kami mahasus yaad aucha
Nepali man har din runcha
Timi farki aau mero solti
Yo deshlai timro khacho cha
Timibina deshko mato
Marabhumi jasto bajho cha
Itihasko akash ko tara
Bani chamkai dharti sara
Udaharan timrai naam cha
Uthauchu hath tara kamcha
Tyahi pani mero solta timilai
Hridaya dekhi salaam cha

Chu ma aja solta tero biyog ma
Sochirachu ta pugis kaha kun lokma
